Is Accessible Voting Available?

- A ballot marking device that is accessible to most voters is available at all early voting centers and polling places.
- Voters with low vision can vote by listening to the ballot selections and by using the keypad.
- You can also choose to use the high contrast and large print functions of the voting unit.
- Other assistive devices can be plugged into the device.
- Election judges will answer questions and help you, if needed

If you have an accessibility question or concern?

Call: 301-341-7300; Email: election@co.pg.md.us

Can Someone Help You Vote In-Person?

Yes. You can bring someone to help you vote if that person is not:

- Your employer or a person that is working/volunteering at the early voting center or polling location.

However, you may choose to have two election judges help you.

Mail-in Ballot Voting:

If you prefer to vote by mail, you need to submit an application for a mail-in ballot here:
